

## Foam Bullet®

Foam Bullets® deliver a powerful foaming light show and targeted chemical application – anywhere you want.

Their **flashing LED-illuminated nozzle housings** attract attention, in your choice of six light colors, to announce services or facilitate site branding.

A **variety of nozzle styles** allow you to customize chemical delivery and enhance your customers' experience.

**Ultra-low chemical usage**, as low as one-sixth oz. per Foam Bullet®, supports an unmatched ROI.

**Multiple mounting options** empower you to add Foam Bullets® to existing equipment anywhere in your bay, while Multi-Axis™ mounts enable you to effectively target any vehicle surface.

## REQUIREMENTS

### Physical Examples
